CASH BENEFIT

Cash benefits apply to qualifying bookings. Eligibility requirements and program terms apply. Custom partnership opportunities are available for recurring events, larger groups, and strategic collaborations.

The cash benefit is issued approximately 30–60 days after the referred group completes travel and all eligible reservations are paid in full. Eligibility requires both the applicable number of paid rooms and the corresponding minimum qualifying travel value: \$30,000 for 10–24 paid rooms, \$75,000 for 25–50 paid rooms, and \$150,000 for 51 or more paid rooms.

“Qualifying travel value” means the commissionable travel subtotal and excludes airfare, travel insurance, taxes, fees, complimentary rooms, cancelled or refunded reservations, unpaid bookings, and other noncommissionable charges.

The program applies only to qualified new business introduced to Love + Leisure. The referred client or group must not have previously booked with or already be actively working with Love + Leisure. An approved and signed partnership agreement must be in place before the referral or introduction is submitted.

Partner benefits may not be combined with client referral rewards, group leader incentives, resort concessions, or other Love + Leisure promotional offers. Partners are not employees, agents, or representatives of Love + Leisure and may not quote, promise, or guarantee pricing, availability, amenities, booking terms, services, or travel arrangements on behalf of Love + Leisure.

Cash benefits may be subject to applicable tax-reporting requirements. Love + Leisure may require completed tax documentation before payment. Additional terms and conditions apply.
